SUBJECT: Reclamation Contract Wall and Rock, Inc., Gulch Mine, S/023/0087, Juab County, Utah

On May 28, 2013, Paul Baker met with Todd Wilhite to discuss items including the Gulch Mine. During the meeting, Paul requested that Todd provide the Division with an updated Reclamation Contract (MRRC) because he is operating the Gulch Mine under a new company, Wall and Rock, Inc. (previously Wilhite and Associates, Inc.)

Todd declined to provide the Division with an updated MRRC. Therefore, the existing MRRC will remain unchanged and in effect. However, the Division will update the NOI to show the change in the company, from Wilhite and Associates, Inc. to Wall and Rock Inc.
